**EURUFLY is cutting-edge booking platform  
for luxury transportation.**

- Providing clients with access to private aircraft, helicopters, and flying car carriers
- Pilots link to private aircraft and clients directly.
- Loyalty Program: Fly and Earn.
- Simple payment solution: Euruflypay.
- EuruflyPay Luxury Travel Card with integrated travel ID and payment mechanism.

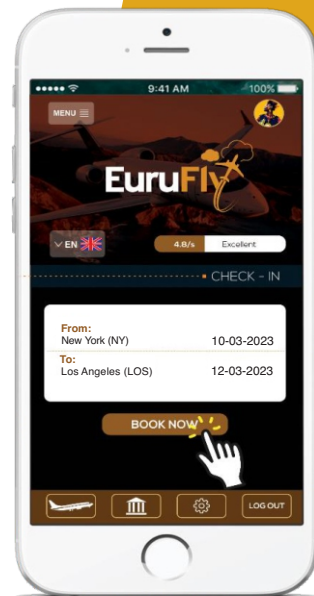

## THE PROBLEM

- Carriers face under-utilised fleets.
- The lack of a demand-based location prevents clients from booking.
- Booking intermediaries slow business trips and hike airfares.
- Pilots cannot directly engage with aircraft.
- Remittance, currency exchange, and financial system difficulties plague carriers and travelers.

## SOLUTION

- One-click flight booking with EuruflyApp
- Carriers enhance profits with more consumers.
- Sharing trips can lower airfares.
- EuruflyPay streamlines payments.
- A loyalty business card offers higher consumer incentives.
- To ensure safety, travelers can rate pilot and aircraft performance for rewards.

# Our Key Roadmap & Objectives

## REVENUE MODEL

Eurufly connects private fleets to customers, reducing infrastructure costs and enabling faster hiring decisions. The business model is based on commission from transaction volume, with a 20% gross profit margin. Premium membership costs \$500 or air miles, and EuruflyPay charges 0.33-3 USD transaction fee depending on local and international transactions and networks.
